ARTICLE 1 – Reservation

When you make a booking on www.kustparknieuwpoort.com, you book directly with the coastal park through the booking system. If you have any questions or encounter any problems when booking, please contact us directly.

When buying at a distance (i.e., by telephone, internet, or post), the right of withdrawal, also known as the reflection period, applies within the EU. This right of withdrawal does not apply when you rent accommodation at Kustpark Nieuwpoort. This means that the reservation you make is legally final. An agreement is concluded between you and Kustpark Nieuwpoort when you receive written confirmation with an invoice from the recreation park.

ARTICLE 2 – Preferred place

Kustpark Nieuwpoort tries to take the wishes and preferences of the consumer into account as much as possible. When you book a preferential pitch, it becomes final after receipt of the written confirmation with invoice from Kustpark Nieuwpoort. Fixing a pitch number is only valid when a preference fee has been paid.

ARTICLE 3 – Payments

Within 1 day of booking, 50% of the total rent must be paid. Payment of the remaining amount must be received by Kustpark Nieuwpoort 4 weeks before the date of arrival. For reservations made within 4 weeks, the total amount due must be paid at the same time as the reservation. If the payment deadlines are exceeded, the holiday park reserves the right to charge an administration fee or cancel the reservation.

ARTICLE 4 – Prices

On www.kustparknieuwpoort.be, you will receive a price quote on your screen while booking. Although these prices have been placed in the system with the utmost care, the campsite reserves the right to go back on a quotation. The total price becomes final upon receipt of written confirmation with invoice from the recreation company. Prices include VAT.

ARTICLE 5 – Security deposit

Rental accommodation: Kustpark Nieuwpoort is entitled to charge a deposit for renting accommodation. The deposit will be refunded on departure, provided the rental accommodation is left tidy and clean, no inventory is missing, and no damage has been caused to the accommodation or inventory.

Rental items: The campsite may also charge a deposit for rentals. The deposit is refunded when these rental articles are returned undamaged.

ARTICLE 6 – Changes to reservations already confirmed

Changes involving partial cancellation (e.g., shortening of the booked period) are subject to the cancellation conditions for that part. A change fee may be charged for all changes.

ARTICLE 7 – Cancellation policy

1. In case of cancellation between the date of the reservation confirmation and 4 weeks before arrival, 50% of the total rent + reservation costs will be charged.
2. For cancellation between 4 weeks before arrival and 1 week before arrival, 90% of the total rent will be charged.
3. For cancellation between 1 week before arrival and the day of arrival itself, the full rent will be charged.
4. No refunds will be made for earlier departure or later arrival than booked.
5. You must cancel in writing.

ARTICLE 8 – Cancellation fund

Affiliation to the cancellation fund is advised. By joining the cancellation fund, one can safeguard oneself against the costs of cancellation of the rental accommodation/campsite, if one of the travelling companions:

1. falls suddenly ill or is injured as a result of an accident;
2. suffers a death in the immediate family, i.e. death of spouse, husband, parents, parents-in-law, children, brothers or sisters.

In addition, this fund will compensate you for cancellation costs if the head of the family becomes involuntarily unemployed. Closing the cancellation fund is only possible directly at the time of booking. The cancellation fund provides cover from the day of booking until the departure date you enter on the booking request.

In case of premature departure, for one of the reasons mentioned above, refunds will be made pro rata to the number of holidays not taken. In this case, you must report the evacuation of the rental facility/campsite to the campsite reception. Surcharges used and consumed will not be reimbursed if the holiday is cancelled prematurely. To receive payment from the cancellation fund, a cancellation statement and supporting documents must be submitted.

In the event of cancellation, the cancellation fund premium and the reservation fee will not be refunded. The premium is 5.5% of the total amount and EUR 5,-- administration costs. These are stated as a standard extra service, but will automatically lapse if you have not paid the cancellation fund amount by the due date.

ARTICLE 9 – Arrival and departure
